This exquisite 2800 sq. ft., 3 bedroom/3 bath unit with captivating mountain views throughout has an expansive wraparound deck and is ideally located on a private cul-de-sac in the desirable Beaverdam Run Community.

On the main floor, you'll enjoy the gracious dining room and a living room with vaulted ceilings and a striking floor to ceiling stone fireplace (gas/vented). An open kitchen with plentiful custom cabinetry of distressed knotty Alder. A thoughtfully designed quartz countertop provides a beautiful and spacious work surface. Mountain views fill the windows in the generous primary suite with multiple closets and a large master bathroom featuring custom cabinets and an oversized Whirlpool tub. A second bedroom, with a quaint bay window and a built-in seat has a smartly placed pocket door that turns this bedroom into an en-suite plan, by creating private access to the front bathroom. The main floor is distressed knotty Maple with carpet in the bedrooms and downstairs.

The spacious lower level offers a den/recreation room with a second stone fireplace (gas/vented) and built-in shelving. The den opens onto a private covered patio (more mountain views!), surrounded by greenery for peaceful morning coffees and evening twilight. The lower floor
